THREE
TOUCH**

Sompob Kraikabkaew,
Managing Director,
Thanyachan Kraikabkaew,
Installation Director and
Nuttawan Kraikabkaew,
Sales and Marketing Director.

The Three Touch Asia Pacific Co., Ltd. was established in 2003 by 3 siblings who have also administrated Three Touch; Sompob Kraikabkaew, Managing Director, Thanyachan Kraikabkaew, Installation Director, and Nuttawan Kraikabkaew, Sales and Marketing Director. Their constant growth, success, and stability have been the result of a strong teamwork by the administrators with different strengths and efficiencies. Sompob is an expert in online marketing, while Thanyachan is an expert in all the variety of tile installation, and Nuttawan is an expert in sales and business administration.

The Three Touch was founded with our expertise and background knowledge in tiles, from the variety, the quality, their practical uses, to the price. Our expertise confirms the advice we give our clients to be the best. Our first priority is not the sales, but in giving the right information on the variety of tiles and each tile's different quality, and advising our clients what fits their condition and needs best. For example, tile suitable for wet areas must be non-absorbent, non-slippery and easily cleaned.

The Three Touch is Thailand's only tile manufacturer and distributor who offers installation service as well as consulting services by experts. This is how we have gained our constant trust from our clients.

From the beginning until today, as the experience accumulates with increasing tile product variety, The Three Touch maintains the stand point in,

“We do not only sell, but we give advice” We give sincere, honest and factual advice. And by strictly following the motto, The Three Touch has become the leader in swimming pool tiles, antique pattern tiles and higher quality decorative tiles.
